BRIEF ABSTRACT OF LETTER.

Stating that the Minor Municipality of Nagar town was converted into a Town Municipality in accordance with Govt. Note No. L 5300/RL75-23-128 9.11.23 & 19th Feb 1924, and from 1-2-24 the Minor Rural Council ceased to exist and that a new Constitution is therefore essential and pray that the bye-election recently held for filling up the additional seats on the Rural Council of Nagar may be cancelled and that a general election be ordered to be held in accordance with the new Election Rules.

NOTES AND ORDERS.

A In consequence of the conversion of the Minor Municipality of Nagar into a Town Municipality, the strength of the Nagar Rural Council has been raised from 12 to 16.

Municipal, a bye-election is said to have been held in accordance with S 18A of the Municipal Regn.

3 The petitioners have represented that the bye-election held is invalid inasmuch as that by the conversion of Nagapattinam Municipality into a Town with effect from 1st Feb 1924, the Municipal Council existing previously ceased to exist and that a new Constitution of the Council under the Town Municipal Election Rules is essential.

4 They also say that Section 9 of the Municipal Regn read in above case is applicable to the case of Nagapattinam Municipal Council. It allows a bye-election being held in case of a Standing Council just to fill up the vacancies that have arisen by enhancing the number of seats in a Council during the currency of its term.

5 The contention of the petitioners appears to be reasonable. The Govt has not yet disposed of the results of the bye-election as

there is reason to think that in consequence of difference in the qualifications of the voters and members for the two kinds of Municipal Councils and -- other attendant circumstances, a general election -- would be more suitable than a bye-election. On account of the difference in qualifications, even it - may be in regard to one particular only, it might - perhaps be considered as contemplated in Section 16 of the Regulation, a member "has become incapable of performing his duties as a Councillor." If so, -- under Section 16 of the Regulation he shall not be entitled to hold the office for a period of 3 years.

23 In these circumstances, it seems that the Deput Commissioner may be asked to arrange for a general - election as required by the petitioners in regard to this as well as other Councils similarly situated in regard to which arrangement has not already been mad for an election.

29 The view taken by the Deputy Commissioner cannot be supported. The question for consideration is what is the effect of the Notification dated 9th January 1924, declaring that the Minor Municipal Council of Nagadi shall cease to be a Minor Municipal Council with effect from 1st February 1924. The term Municipal Council is defined in Section 10 of the Regulation. It consists of elected and nominated councillors. The meaning of the Notification is that the elected councillors and the nominated councillors in the Minor Municipal Council shall cease to hold office from that date. Therefore, Section 18(a) has no application to the Town Municipal Council which was established. Bye- election is not proper and there should be general election in this case.

The only limitation to that power is that the Govt should follow the procedure laid down in Sec 68. (vide Sec 68(2)) i.e. 2 months notice & proper publication necessary.
From the powers it follows, I think, that the Statute empowers Govt to convert Town Municipality into Town Municipality, excepting at any time it before the expiry of the term of its constitution.

B. Venkoba Rao, Esq., B.A.,
Deputy Commissioner, Bangalore District.

B. Nagappa, Esq., Bar-at-law,
Secretary to the Government of His Highness
the Maharaja of Mysore, Local and Legislative
Departments, Bangalore.

Sir,

With reference to your official Memorandum No.L.8758/M.45-23-10 dated 3rd May 1924 forwarding for report the petition by Messrs. Karnick Krishnamurti Rao, Rameswari Sastry and others praying under the circumstances stated therein that a general election may be ordered to be held in the Town Municipality of Magadi, I have the honour to state as follows:--

The main objection of the petitioners is that a general election should have been held for the election of members of the Magadi Municipal Council which has been converted into a Town Municipal Council with effect from 1-2-1924 in accordance with notification No.L.6300/M.75-23-12 dated 9-1-1924. This view is not in accordance with the provisions of Section 18 A of the Municipal Regulation. The vacancies being due to the increase in the number of councillors are to be filled at a by-election and the term of these councillors would continue only till the next general election.

2. The Magadi Municipal Council was reconstituted in accordance with Government Notification No.L.1981/M.60-21-21 dated 29-9-1921 for a period of three years from 1-10-1921. The members of the Municipal Council do not lose their places in any of the ways mentioned in Section 17 and Section 18? of the Municipal

Regulation under which the minor Municipal Council ceased to exist is not referred to in Section 17 and in Section 187 there is no provision corresponding to Section 179 (2)-(a) stating that "all councillors of the Municipal Council shall from the date of the order vacate their offices as such councillors." In the existing state of the enactment therefore it appears that the constitution of the Town Municipal Council should take place without prejudice to the rights of the existing councillors, so that all the provisions of the Regulation bearing on the subject may be reconciled.

3. ~~Thank~~ The mere difference in the qualifications of voters and candidates of a Town Municipality from those of a minor Municipality does not in any way override the necessity to reconcile all the different provisions of the Regulation. A bye-election as now held appears to be the only reconciliation.

4. The result of the bye-election will be reported to Government separately on receipt of the nomination proposals from the Amildar President.

5. The petition received with the Memorandum under reference is herewith returned. A similar petition was also presented to me.

I have the honour to be,

Sir,

Respected Sir,

Hirisave Nagadi was a munic-
municipality. Very recently i.e., from 1st. Feb. 1924
it has been formed into a major municipality in
accordance with Government order No. L 6300.
Mi. 75-23-12 dated 9th January 1924. To
meet the ends, four members have been notified
as official members in the Mysore Gazette.
In addition to the above number, 8 more had
to be elected. Meanwhile the old Council dis-
solved from the 1st. Feb. 1924 and so the
nominated president of the Amildar was
solely in charge of the municipality. No
meeting was convened for the last three
months. When the Deputy Commissioner had
come here sometime back, it was notified for
general election as per new rules. The 8
members of the old Council (elected and
nominated) and 9 other residents of the town,
17 in all stood as Candidates. This day had
been fixed for Bye-election, retaining

8 members of the old municipal Council and 2 continuing them as members of the town municipality. Of the 9 residents above named, 7 withdrew on the score that Bye-election was against law and procedure, and even protested that election should not be conducted. without paying any attention even to this, though two out of four had stood for election it has been confirmed. The following points will clearly appeal to your honour's mind to prove that the election is illegal.

1) The difference between the minor and major municipality rests not only in the number of elected members but also in the qualification of voters and Candidate fit for voting and election.

2). From 1st. Feb. 1924, i.e., from the date of the Conversion of this minor municipality into a major one, the whole Council ceased to exist. Therefore a new Constitution is essential and members of the old minor municipality can no longer continue and election by such members is not in accordance with law.

3) Bye-election can only be applicable to a standing Council just to fill up the vacancies that may fall in the ad-interim or to enhance the number of such a Council according to the rules in force. But when

no town municipality had been constituted, how. Bye-election can be held is rather doubtful and this is against Mud. R. 10 A, which does not also apply in this particular case. How a Council of the minor municipality linked with newly elected members of the town municipality which have existed till now, is allowable, and what rules permit such union cannot be understood.

After the receipt of an order by the Deputy Commissioner, No C.C. 3168 of 23-24 dated 11-4-24, the Amildar sent for the members of the old minor municipality convened a meeting on 27th instant and held another meeting this day after election. At any rate the resolutions passed in these meetings are again illegal. So they have to become null and void.

Four Candidates had to stand for election which was conducted to-day. During their absence election has been held only for one or two, and as this is unreasonable, the same may be cancelled.

For these reasons we pray that the same Bye-election may be cancelled and a new general election ordered for the Constitution of the town municipal Council.

We further beg that your honour will be gracefully pleased to issue us

an endorsement, Cancelling the new electri. held by the Amildar, and failing which we will be driven to the painful necessity of filing a suit in accordance with law. To avoid such a procedure we expect early favourable orders before the 5th May 1924

We beg to remain,
Respected Sir,
Your most obedient servants

Sir,

In continuation of this office No.H.C.305/23-24 dated 8th May 1924 submitting a report on the petition of Messrs. Karnick Krishnamurthi Rao and others re the bye-election held in the Municipality of Magady, I have the honour to state that the strength of the Magadi Municipality before it was constituted as a Town Municipality was 12, consisting of 4 ex-officio, 4 nominated and 4 elected members. With its constitution into a Town Municipality the strength was raised to 16, the number of elected councillors being increased from 4 to 8. To fill up the number of increased seats among the elected councillors instructions were issued to the President, Magadi Municipal Council for the preparation and publication of the list of voters and candidates according to rules applicable to a Town Municipality and for this purpose the 1st of April 1924 was fixed under rule 9(c) of the Election Rules and this fact was reported to Government in my letter No.H.C.305/23-24 dated 23rd January 1924. 28th April 1924 was fixed by me as the date for holding election and the other formalities re the publishing the date of election and receiving the nomination of papers was attended to by the President.

7 candidates in all stood for election. But 5 candidates withdrew their candidature on the date of election on the plea that bye-elections were illegal and that general elections

should be held. Out of the two candidates that stood for election finally, only Mr. M. S. Krishna Rao secured the prescribed number of votes (Secured 109 votes out of 669 votes) and he was declared elected. I request that you will be so good as to kindly have the same notified with the approval of Government.

To fill up the three vacancies in default of election, I submit herewith proposals and request that sanction of Government may kindly be obtained thereto. These are nominations in default of election and the Amildar thinks these had the greatest chance of success if they had stood for election. The nominations proper have already been made when the Council was originally constituted.

A statement showing the existing members, the member elected and the members to be nominated and also an extract from the resolution of the Municipal Council declaring the results of election are herewith sent.

WD 0693 - GPB—1500—16 9 23

a Minor Rural Council with effect from 1st Feb 1924 is that the elected Councillors and the Nominated Councillors in the Minor Rural Council shall cease to hold Office from that date and that Section 18(a) of the Rural Regn has therefore no application to the Town Rural Council newly established at Kalpadi.

In these circumstances I am to inform you to state that the holding of a by-election as ~~afterwards~~ by you is not ~~practicable~~ necessary and that there should be a General election in this case, for which immediate action may be taken in accordance with the rules issued in this behalf.
